Allergies or Special Needs:

PARENTS: Our religious education program relies on volunteers to share their faith with students in the classroom. In fact, without our dedicated volunteers we would have no classes at all! Though many catechists return each year, there is always the need to find new volunteers. Have you ever considered serving St. Augustine's as a catechist? Please indicate below if being a catechist might interest you— it's a great opportunity to make a difference in the lives of our parish children!

1) **YES, I would be interested in hearing more about being a catechist** _____

2) **YES, I would be available to be a substitute catechist** _____

3) **I am already a catechist and would like to volunteer again** _____
